- adhere to safety procedures laid down by Shree Swaminarayan Vidyalay from time to time, and conform to all instructions given by those with a responsibility for health and safety
- record all accidents, near-miss occurrences and hazardous situations in the health and safety/accident book and report them to the next [team meeting]
- meet their other statutory safety obligations, including that laid down in Section 8 of the Act, which states that 'no person shall intentionally or recklessly interfere with or misuse anything provided in the interests of health, safety, or welfare in pursuance of any of the relevant statutory provisions'.

2.4 Review

The Director , in conjunction with the Director , will keep this policy under constant review to reflect any changes in legislation. The policy will be fully reviewed every three years and will be subject to approval by the trustee board.

3. General arrangements (face to face teaching only)

3.1.1 Accidents, near-miss occurrences and hazardous situations

Shree Swaminarayan Vidyalay has a health and safety accident book located in centres office and all incidents, no matter how small, must be recorded as soon as possible after the incident. The incident should also be reported to the Head. In addition to reporting accidents, it is equally important to report near misses and potential hazards, so as to enable preventative action to be taken before it is too late. Once an incident has been recorded in the accident book, the sheet must be removed and stored separately, for example, in the personnel file.

It is the responsibility of the Head to ensure that any necessary follow-up action is taken to reduce the risk of the accident or near accident reoccurring.

The Director is responsible for reporting incidents which come within the Reporting of Injuries, Diseases & Dangerous Occurrences Regulations (RIDDOR), to the Environmental Health Department. RIDDOR covers the following incidents:

- fatal accidents
- major injury accidents/conditions
- dangerous occurrences
- accidents causing more than three days' incapacity for work
- certain work-related diseases

A first-aid kit is available in office.

3.2 General fire safety (face to face teaching only)

The Director is responsible for the maintenance of the fire-fighting equipment and the arrangement of regular fire safety checks and fire drills. The Director also holds a fire certificate for the building. All staff must also read and understand the fire procedure. A fire notice is located in the corridor.

4. Personal safety

- Staff or volunteers who are working on their own should not allow access to casual visitors who have no appointment.
- All windows and entry doors will be lockable.
- Staff who are going to be away on Shree Swaminarayan Vidyalay business should make it clear to other staff where they will be, how long for and how they can be contacted.
- Staff should inform the office who they wish to be contacted in the event of an emergency, giving contact details.
- Staff who carry money for Shree Swaminarayan Vidyalay have the right to be accompanied by another person.
- Visits to the bank should not be at a regular time.
- Staff should not put themselves at risk on account of Shree Swaminarayan Vidyalay's property.
- All incidents of aggression or violence and any threat to personal safety should be reported to the Director and recorded in the accident book.
- Staff should be vigilant with regards to terrorist incident warnings – for example, unattended bags.

5. Stress management

- Stress at work is a serious issue: workers can suffer severe medical problems, which can result in under-performance at work, and cause major disruptions to the organisation.
- The responsibility for reducing stress at work lies both with the employer and the employee.
- Employees should become aware of the causes of stress and ensure that they do not work in a way which could cause them to suffer an increase in stress, nor cause an increase in stress on others.
- If an employee is suffering from stress at work, they should discuss this with their line manager or Director at the first opportunity. Where practicable and reasonable, Shree Swaminarayan Vidyalay will seek to provide assistance to the employee.
- Shree Swaminarayan Vidyalay will do all it can to eradicate problems relating to stress at work.
